

The image is a cover for a Ceratile company profile. It features a background photograph of a modern building with large glass windows and a concrete overhang, set against a backdrop of lush green trees. A large, semi-transparent grey rectangle is positioned in the center, containing the text 'COMPANY PROFILE' in large, bold, white capital letters. The Ceratile logo and tagline are in the top left, and a close-up of a stone tile is at the bottom.

FEATURING SUCCESSFUL INSTALLATIONS

A Story About House FairWood

House Fairwood was a pleasure to work on. We supplied and fitted large-format tiles, and our technical team did a full site inspection to understand what system to use for installations.

FEATURING SUCCESSFUL INSTALLATIONS

A Story About Steyn City

Project

Steyn city was an exciting project in which we handled the supply and installation of large-format tiles. Given the unique architectural design, our technical team conducted a thorough site inspection to determine the best installation system.

SOURCING FOR LARGE DEVELOPMENTS

Our extensive network and industry expertise enable us to source a wide range of slabs, tiles, decor, and sanware products from local and international suppliers, ensuring our clients can access the best options available.

With Ceratile you can trust that we will deliver the quantity and quality you need, on time and within your budget, making us the ideal partner for your developments and projects.

OUR EXPERTISES

We can do installations for Large Format Tiles in different areas, including interior & exterior floors & walls, swimming pools and water features. We have adequate knowledge to assemble and use suitable solutions before tile installation based on the substrate type and integrity.

A level 2 BEE-certified team with extensive knowledge and experience within the large format tile installation field.
